RE: Proposed Policy Change

DATE: June 4, 2020

Effective Changes: Create a new Commission Policy for Weight Management

Reason for Change: To protect fighter's safety

1. Any fighter (Professional or Amateur) must record on Facebook Live a weigh-in one week prior to the weigh in. That video must be reported to the promoter.
 - a. The promoter should save these recordings for 1 year.
2. Fighters need to be within 10% of their scheduled weight.
 - a. The promoter has the option of increasing the weight class limit with the consent of both parties.
